

## Don't forget to register to the 2018 UEIL Congress!

Brussels, 29 August 2018: UEIL is looking forward to its annual Congress, which will take place in Budapest, Hungary, on 24-26 October. Registration is open and available [here](#). The theme of this year's event is 'The lubricant industry: embracing the future' and promises to be a major highlight for our industry sector and for European industry more generally.

"This year's Congress offers a unique opportunity to players in the European and global lubricants industry to meet and network, strengthen their relationships, and learn more about the latest developments from a technological, economic, marketing and regulatory perspective," said UEIL President Valentina Serra-Holm. "We expect around 250 participants from more than 20 countries and 4 continents, representing the entire industry and its supply chain, as well as decision-makers and regulators – so don't delay, register today!"

The Congress will take place at the Hilton Budapest, in the heart of the Royal Castle District, with the prestigious Pesti Vigadó (Concert Hall) hosting the gala dinner on 25 October, which promises to be an unforgettable experience.

We have already planned a packed agenda for the three days, incorporating a pre-conference seminar in collaboration with ICIS, workshops, panel debates, and a number of informed speakers discussing a variety of highly relevant topics affecting our business, including: e-mobility, digitalization, talent attraction, sustainability and cross-border challenges. The full programme can be found [here](#).

There are still a number of sponsorship opportunities available which are intended to help you raise the international profile and awareness of your company. We offer a range of rates to accommodate all budgets and preferences – more information can be found in our [sponsorship brochure](#).

We would like to thank our current sponsors – BRB, CHEVRON Base Oils, Chemlube, Etivoet, Eurideas, FUCHS, ILMA, KEMAT Belgium, PILOT CHEMICAL, Wolf Oil, ZELLER+GMELIN– for supporting this year's Congress and look forward to what promises to be a fascinating and enjoying three days in the Hungarian capital!

### **About UEIL**

UEIL (the Union of the European Lubricants Industry) represents the interests of the lubricants industry in Europe, with a special focus on SMEs and independent companies that produce lubricants and metal processing fluids essential for the automotive and industrial sectors.

Through its 22 national member associations, UEIL covers the whole lubricants' value chain, from manufacturing and distribution to recycling, and represents over 450 companies and 100,000 employees.

Our members' collective expertise provides an unrivaled source of information and knowledge on and for the lubricants' industry, and establishes UEIL as the principal interlocutor of the EU Institutions in areas such as health & safety, environment, recycling, competition, technical specifications, taxation and industry statistics.
